

# NATIONAL REVIEW INSTITUTE

With our new organizational structure—*NR* a subsidiary of the Institute—we have never been stronger, and we are well-positioned to have an even *greater* impact in the years and decades to come. This is only made possible due to our generous donors. We are grateful for your support, and with friends like you by our side, the future is certainly very bright, for our movement and for our nation.

"The National Review Institute is home to some of the best writers on the Right. These NRI fellows concentrate their considerable firepower on the Left every day, and practically every hour. They are respected by nearly everyone and feared by their adversaries on the Left, who can't match their erudition, eloquence, or wit."  
— Rich Lowry, Editor in Chief, *National Review*
